This application is in condition for allowance except for the following formal matters:

This application is in condition for allowance except for the presence of claims 17-40 and 54-58 drawn to an invention non-elected without traverse and should be cancelled.

The chain of priority at page 1 of the specification is inaccurate. According to Office records, parent provisional application does not have any parent applications. Further, the supposed parent PCT set forth is incomplete as to the application number. Also, all applications in the chain should reflect their current status. Correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
